Henok Yohanes | Full-Stack Web Developer

📍 Houston, Tx | 📞 (832) 516-0930 | ✉ henokyohanes8@gmail.com | 🌐 Portfolio Website

Professional Summary

Seeking a challenging Full Stack Web Developer position in a dynamic and innovative organization to leverage my skills to build scalable, efficient, and user-friendly applications.

Education

- ➢ **Evangadi Tech (04/2024 - 12/2024): Certificate in Full-Stack Web Development**
- ➢ **Addis Ababa University (09/2011 - 06/2015): BSc in Mathematics**

Work Experience

- ➢ **Freelance (09/2024 - Present): Full-Stack Web Developer**

  Experienced in front-end development with React and back-end programming using Node, Express and MySQL. Skilled in building responsive web applications and developing RESTful APIs. Committed to continuous learning and staying updated with industry trends.

- ➢ **Boston Scientific (07/2023 - Present): EKG Technician**

  I specialize in analyzing and interpreting EKG results, working closely with healthcare professionals to assist in diagnosing cardiac conditions by ensuring patient comfort and safety.

- ➢ **Gulf State Toyota (02/2019 - 06/2023): Main Installer**

  My responsibilities include reading and interpreting technical drawings, following precise assembly instructions, and using specialized tools to ensure accurate part fitting and assembly.

Projects

- ➢ **Abe-Garage App (GitHub link for the project)**

  Auto Repair Shop Management System designed to streamline internal operations for employees, supervisors and administrators while offering a seamless online portal for customers. It enables efficient management of employees, customers, orders and services, enhancing the customer experience with an intuitive online service catalog.

- ➢ **Evangadi-Forum App (GitHub link for the project)**

  A Q&A platform designed to connect users, allowing them to ask questions and provide answers on a wide range of topics. The platform features user authentication, categorized questions, and fostering an engaging community-driven environment for learning and problem-solving.

Technical Skills

- ➢ **Front-End:** HTML, CSS, Bootstrap, JavaScript, jQuery, React, Redux
- ➢ **Back-End:** Node, Express, REST API, MySQL
- ➢ **Tools & Other:** Git, GitHub, Postman, Linux, Vs Code

Soft Skills

- ➢ Communication and Problem-Solving
- ➢ Stress and Time Management
- ➢ Collaboration and Passion to Learn
